Homeless Sleeping on Benches - Several residents walking on our walking trails have reported people from the motel or homeless people sleeping on the benches on the walking trails. This has apparently been a common issue that no one is reporting, therefore it continues and will only get worse. The individuals also make no attempt to leave as residents are trying to safely walk past these persons.

They are NOT PERMITTED to sleep on our benches and need to be immediately reported so that this issue can be stopped, and our residents can feel safe walking on the trails.

The board asked for everyone to be vigilant.

If you should see individuals sleeping on our benches, please let the HOA Board know by email to WOSHOABoard@gmail.com, and if possible, take pictures and forward them to the board. No pictures were taken, so none are available in this report.

Also, please immediately contact the following numbers to report this:
