Bicyclist Dumped Damaged Trash Container by Flagpole – Report by HOA Board member with security camera video and photos. Noticed a trash container tossed in the grass by the flagpole Sunday August 17, 2025, early morning.

Seen on nearby camera at approx. 2:17am, a young male on a bicycle, towing or carrying a trash container that is garage. Looks like this person was purposely ditching the damaged trash container and dumping on our common area property.

Security video is poor quality, but does show the person doing this, and photo from the HOA Board member shows how the trash container was left. One of our HOA Board members discarded the container.

A special THANK YOU to Henry on the HOA Board for removing the container and discarding it.

THIS IS IMPORTANT, don't just do nothing. Please always report suspected activity to the Sheriff's office and email the HOA Board the pictures and feedback so we can add a crime awareness report.
