Reported by a homeowner on 3/3/2026:

A homeowner walked into the playground and found the metal sign that us homeowners paid for as part of the HOA dues. It's very sad to see such vandalism happening, especially when it was a great effort in getting a playground after more than 24 years of not having any recreation for small kids to play safely in. This was done on purpose and not accidental.

We encourage all homeowners and residents to be vigilantly and keep your eyes open and to report vandalism if you see anything happening. Thank you to the homeowner who report this. The HOA board will discuss installing a replacement sign as we can't press charges on anyone not allowed in the playground and creating mischief or damages without a Private Property sign.

If you can, please take pictures and send to the HOA Board, you will remain anonymous.

Email the picture to the WOS HOA Board at WOSHOABoard@gmail.com and we'll add a report to our crimeawareness so our neighbors are aware of crime or vandalism in the area.

For something like this, it can be reported to the HOA Board and APM (Action Property).

If it's an emergency, call 9-1-1

For non-emergency, call the Sheriff's non-emergency number is 713-221-6000, option 1
