Package Theft off White Oak Creek Ct – Report by homeowner to an HOA Board member with security camera video and photos. Package theft took place on July 14, 2025, in the middle of the day.

Seen on camera, a young male on a bike, (appears to be an electric bike), lays his bike on the street and is seen walking to the house, and then sprinting back to his bike, getting on his biking and driving to the end of the cul-de-sac on White Oak Creek Ct, then turning back and driving out of the street towards Gentry Rd. The young male was carrying a red tote bag and wearing a white colored tuque.

Some homeowners think this person lives in White Oak Springs or in one of the neighboring subdivisions so please be vigilant and on the lookout for a young male, on a bike, appearing to be an electric bike as he was not seen pedaling on the security camera but driving out on the bike.

Security video and photo from the homeowner was provided and some still pictures provided in this report below. If you recognize this person as someone in our subdivision, please contact the HOA Board to let us know.

A special THANK YOU to the homeowner that shared their security camera footage, photos, and reported this in order to keep all residents vigilant and to keep everyone watchful for other package thefts.

THIS IS IMPORTANT, don't just do nothing. Please always report suspected activity to the Sheriff's office and email the HOA Board the pictures and feedback so we can add a crime awareness report.
