Item

1. White Oak Springs and White Oak Falls Trails

The surveying is underway. The field work is complete, and we should have drawings by the middle of next week. We will schedule a kickoff meeting after that.

All four phases of trail will be designed and approved for construction. However, the Board has flexibility to award the project as one phase per subdivision or as base bid (phase I) plus alternate (phase II) for both subdivisions if the bid price is advantageous to the Board.
