Homeless Sleeping on Mattress against Gas Station Trash Container – Report by several homeowners between Thursday, June 26 and Sunday, June 29 is a homeless person found sleeping on the mattresses that were left at the clothing donation Dropbox near the Gas Station trash containers.

Sheriff's non-emergency number was provided to the homeowner reporting it on Thursday evening around 7:30pm.

Friday morning approx. 7:30am, another homeowner reported that same homeless person and took pictures (below). A requested to call the non-emergency number, but it is doubtful that anyone called them, and the homeless person was gone by noon.

Saturday, the same homeless person was there and the homeowner reporting it also spoke with the Gas Station workers asking if they would please remove the mattresses from the area to encourage the homeless person to move on and leave.

Sunday, the same homeless person was there and the same homeowner speaking with the gas station was told by the gas station employees that the mattress would not fit in their trash container.

As of Monday morning, there hasn't been any change in the location of the mattresses, and the homeless person is still being seen.

If you see this homeless person, please immediately contact the non-emergency number and ask that this homeless person be removed from the White Oak Springs area, otherwise, if you don't state your wishes, the Deputy will only ask the person to move and not enforce it.

A special THANK YOU to the neighbors that shared their photos, reported this, made phone calls to the non-emergency number, and even took the time to speak with the gas station management.

THIS IS IMPORTANT, don't just do nothing. Please always report suspected activity to the Sheriff's office and email the HOA Board the pictures and feedback so we can add a crime awareness report.

Sheriff's non-emergency number is 713-221-6000, option 1

APM at 713-686-4692
