Homeless In Playground (Late Evening) – Reported by a nearby homeowner. There were an unknown number of persons reported in the playground under the new lights installed. They enter the gate without having the code, so not sure if they've broken the gate lock or obstructed it.

Unfortunately, by the time this is found, the Sherriff's office was not contacted as it was after the fact.

The HOA board has been doing a lot of things to deter homeless from going into the playground, but it doesn't seem to make a lot of difference. We are looking for suggestions from residents, so please let us know your thoughts by sending an email to the WOS HOA board email below.

This is UNSAFE for all our residents, but mostly our kids playing in the playground and our trail walkers, so if possible, please take pictures, and, immediately call the non-emergency Sherriff's number below and please ask that the deputy that goes out phone you back to let you know what they did find or did as we'd like to know. And email the HOA Board the pictures and feedback so we can add a crime awareness report.

THIS IS IMPORTANT, don't just do nothing, if you see homeless persons settling down in our community, please contact the non-emergency Sherriff's number below and request that they be removed immediately. Homeless persons, and well as suspected prostitutes frequenting the front of the 7/11 gas station are constantly seen in our community, and we need to nip-it-in-the bud, for everyone's safety and for our own property values.

Sherriff's Non-Emergency number is 713-221-6000, option 1
