Threat Assault by Mailbox on White Oak Springs Dr – Reported immediately to a HOA board member, by Hispanic homeowner on the evening of Wednesday, November 5, 2025, at approx. 6:45pm.

When the homeowner, who is Hispanic, got home yesterday from work and went to check his mail at the mailbox on White Oak Springs Dr, there was a white 4-door pick-up truck parked there. As the homeowner approached his mailbox, a white man came out and asked him if he had a problem and to go back where he came from. The Hispanic homeowner told him he lived here. The white man reached for the back of his shirt as if he was going to pull a weapon on him. At this time, the homeowner immediately backed away and the man sped off in his truck toward Huffmeister. Another neighbor across the street witnessed this situation, and the board member advised the Hispanic homeowner to call 911 next time.

The HOA Board has reviewed and searched the Flock Safety cameras for any White Pick-up trucks that entered either entrance between 4-7pm. Nine results were returned with picture and details on the vehicles. Some having unique markings such as business logos, toolbox in the truck bed, tonneau covers over box bed, etc ... The footage will be made available to the homeowner that was threatened in case he chooses to file a police report of this incident.

Thank you to the homeowner who reported this situation, so others in the neighborhood are aware to be diligent of possible unwarranted threats of this sort. Racial threats of any kind are not tolerated in our diverse community.
